SYMPHONY GOES TO SCHOOL...AND BEYOND!

Cameo Performance Application Form

****to be completed and returned by the teacher****

As part of Symphony Goes to School, the NSO invites applications from students groups who might be interested in performing a fifteen minute prelude concert immediately prior to our *Masterworks* and *Sinfonia Series* concerts in the lobby areas of both the St. John's Arts & Culture Centre and the D. F. Cook Recital Hall - School of Music - Memorial University.*

If you are applying on behalf of more than one group, please complete separate applications for each.

Please note the following:

1. While the NSO is pleased to offer this opportunity, we are, unfortunately, unable to provide sound/ lighting support and other equipment (i.e. keyboard, choral risers, conductor podium, percussion gear, etc.). Chairs will be provided for instrumental ensembles but musicians are asked to supply their own stands.
2. The NSO will take into account the amount of equipment and set-up time required when selecting the cameo Performance groups. This is, in large part, due to the limited space available at both the Arts & Culture Centre and School of Music.

** At the Arts & Culture Centre, prelude concerts will take place in the south side of the upper concourse. At Cook Hall, performances will take place from the upper hallway.*
