

Justin is absolutely thrilled to be once again performing with this incredible group of musicians.

In the past year Justin has been making his TV and Film dreams a reality with roles on Lifetime, Hallmark and the Sci/fi channels. This past Christmas you may have seen one of his two Hallmark Christmas movies. My Christmas Guide or Merry Mystery Christmas? Or perhaps you may have been spooked by his turn as a Werewolf dad in Surreal Estate? Keep your eyes peeled for his upcoming film and tv work, Silent Planet, The Northerner, Only the Night Knows and (very soon) an episode of the award-winning Hudson and Rex!

Justin LOVES the entertainment industry and has visited 72 countries thanks to the opportunities it has offered. Here's to an amazing 2024 for all!! Thanks to Justin's wife Aimee and their girls Ella and Jozie for making nights like this possible. See you on the red carpet!

(Justin would like to dedicate tonight to the late Kevin Lewis.)
